In discussing the relative strength of Swanson and Davis on the C & O. train I found only one man who was opposed to Swanson and among those with whom I talked in Richmond it was about the same the assertion that Mr. Flood tion and he was for Davis for

I attended the reception at the Governor's mansion and Governor and Mrs. Davis were jeel so weak I would have to set it down exceedingly cordial in their before I felt like I could lift it to the shelf. Banquet was a success from the epicurian stand point, the serving of cake and some good soit drink was done by digni fier well mannered negroes. To music was par expelience, th dancing was beautiful, the co amos with a vory few no able ex eptions were pretty

The E.u. attonal Conference Was well atsended, the many fe tures Lev, and also old, w. e attractive, the business m stings were well attended In discussing questions of finance the fact developed that a great number of counties in this State are heavily in dobt And trustees made it plain that uniess more money was provid ed for by the country legisla tue and by the B rus of Su pe visors, that the socools cou. do r next year saying "ini se col is closed for the session be suge the hoard of supervis or and the legiolature aid no pr vide funds to runit. A prominent man from a siste county said his county was \$90,000 in debt for school purposes. The legislature will be asked to increase the levy for school purposes in the State by 10c on the \$100 worth of taxable values. Much was said before the school conference about reviving the old scheme of having only one trustee for each magisterial district in the State and said trustee to be elected by the people of that district Or course the trustees from al. over the State opposed this movement, 1st because it would legislate themselves out o office, and then too there are over 20 counties in the State which have more negroes in them than white people and tney could elect the school trustees who would have the
